

(e) When an employee receiving a saved rate established under this section is covered by a pay system that provides different basic pay schedules based on geographic location (such as the General Schedule pay system), the saved rate must be adjusted in conjunction with a change in the employee's official worksite consistent with the geographic conversion rule for retained rates under 5 CFR 536.303(b).

(f) A saved rate established under this section must be terminated if—

(1) The employee has a break in service of 1 workday or more;

(2) The employee is demoted based on unacceptable performance or conduct or at the employee's request; or

(3) The employee becomes entitled to a rate of basic pay that is equal to or higher than the saved rate.

(g) If an employee is receiving a saved rate established under this section on May 1, 2005 (when section 301 of Pub. L. 108-411 took effect), any locality payment under 5 U.S.C. 5304 formerly paid in addition to the employee's saved rate no longer applies as of that date. Any locality-adjusted saved rate in effect and payable on April 30, 2005, must be converted to an equal saved rate effective on May 1, 2005. If the employee received no locality payment because of a pay limitation, no conversion under this paragraph is required.
